\* Rate discounts apply to the base medical plan only and are calculated as follows: Pet owners will receive additional 5% multiple-pet discounts by insuring two to three pets or a 10% discount on each policy for four or more pets.

\*\* These are actual claims from VPI policyholders who were enrolled prior to the introduction of the VPI Major Medical Plan and VPI Medical Plan. Claims were reimbursed according to the respective plan in which the policyholder was enrolled at the time. Amounts shown here reflect what would have been reimbursed through the updated plans based on a \$100 annual deductible. Available deductible amounts are \$100, \$250, \$500 and \$1,000.

\*\*\* VPI does not determine the amount a veterinarian may charge; that amount will vary by region and veterinary practice.

† Amounts reflect total available annual reimbursement. No annual deductible. ‡ Split between two visits per term.
